"I chose the UMSL Police Department because I wanted to work in a stable, diverse atmosphere, where I can make a difference and work for a Police Department that has strong values in Community Policing. It was a great choice!"

The UMSL Police Department remains unwavering in support of our students, faculty, staff and visitors to the University of Missouri-St. Louis (UMSL). The police department serves as the anchor to the Division of Institutional Safety working in concert with the entire campus community, the Police Department strives to ensure that UMSL is a safe and pleasant place where people can live, work, and pursue their educational endeavors. It is the sworn duty of every campus police officer to preserve the peace; maintain order; and expel from campus buildings and grounds those persons who violate the rules and regulations prescribed by the Board of Curators of the University of Missouri.

We fulfill our duty with fully certified and empowered full time law enforcement officers - dedicated men and women who serve our campus 24 hours a day, 365 days a year. We know that our officers cannot be effective without your support. We strive to earn your trust and confidence in every action we take.
