Task Force Name	Narrative
BOONE CO SO TF	<p>During the 3rd quarter of the 2017-2018 SCCG grant in December 2016 the Task Force was asked to present a 2-hour block training to the newly elected Sheriff's in Missouri. During the 1st hour, a Task Force investigator presented the function and overview of the Task Force units throughout Missouri. During the 2nd hour, the investigator spoke about the type of cases being handled among the Task Force units. The investigator stressed the importance to reach out to their area Task Force for input and/or support. In January 2017, a suspect pled guilty in a Boone County court for 3 counts of sexual exploitation of a minor, 1 count of possession of child pornography and 1 count invasion of privacy, 1st degree. The case originated in August 2015 when the Task Force received a CyberTip that had been filed from an anonymous person. The Task Force investigation used information that was captured by NCMEC to identify the anonymous person. The Task Force then conducted a knock and talk on the residence and furthermore, got the homeowner to allow investigators to exam a computer. Investigators gathered enough information and evidence to secure an arrest on the suspect. Forensic examination was the pivotal information to get the conviction on the suspect. In February 2017, the Task Force assisted the Federal Bureau of Investigation with an investigation. An agent who is attached to our Task Force was working an investigation in Columbia involving a hands-on offense with a 2-year-old who was being exploited by the mother's boyfriend. The Task Force was utilized for a forensic triage and assisting with the interview of the suspect. The suspect was taken into custody and detained for Federal authorities.</p>
CLAYTON - RCCEEG DENT CO - SOUTH CENTRAL TF	<p>N/A</p> <p>Made 2 presentations on the new Feenet tools at the Florida Conference. Taught Freenet Investigations Class in Atlanta in February. During 2nd quarter, a detective that could dump phones in the Pulaski County SO has left the department without a replacement. In January 2017, detectives with training and working cyber crimes in Crawford County have either left the agency or taken a promotion to a different area. Shannon County executed a MOU on January 10, 2017.</p>
JOPLIN - SWMO TF	<p>The task force is assisting with a large scale human trafficking investigation, that is very time consuming and resource intensive. We are still restricted in our investigative efforts due to a lack of funds. We have newly assigned investigators, that are unable to attend basic ICAC investigative training. Additionally, due to the lack of replacement equipment funding, our forensic output has been diminished, which has contributed to the amount of time it requires to submit cases for prosecution.</p>
KIRKSVILLE - REGIONAL UNIT	<p>KRCCU is locating training to further knowledge of ICAC. Within the next month or two KRCCU will go to each affiliate and update MOU's and explain the plans for the future of ICAC in my area. Several forensics were conducted on cell phones involving drug cases, which assisted a lot of local area law enforcement agencies.</p>
MO DEPT SOCIAL SERVICES - STAT	<p>STAT and its partner DFIU continue to investigate Peer to Peer file sharing networks distributing child pornography in rural Missouri. Six search warrants were served resulting in five arrests for possession of Child Pornography as a result of these operations. STAT continues to provide support to St. Louis County Police Special Investigations Unit by forensically examining digital devices seized during their P2P and Enticement operations in St. Louis County. Last calendar year STAT worked a</p>

MO STATE HIGHWAY PATROL - DIGITAL UN! PLATTE CO - WESTERN MO TF	N/A A comprehensive case review was conducted and all TFO caseloads were evaluated. As a result we may be closing a number of state cases where further investigative leads are unlikely. During this quarter, TFO's spent a considerable amount of time and effort supporting external agencies with forensic exams and other assists, WMCCTF officers participated in multiple Kansas City area MetroSquad investigations, and several cases were referred to us involving juvenile suspects which took extensive resources to investigate. The OIC and WMCCTF Sergeant/Supervisor attended a number of MO ICAC stakeholder meetings as well as the Commander's meeting in Columbia, MO. In addition, the task force leadership has been reaching out to its stakeholder agencies, and new MOU's have been signed and returned by a number of counties within the service area. The WMCCTF continues to have staffing transitions, however, we are managing to retain a majority of our experienced TFO's. Negotiations began with the Clinton County Sheriff's Office for a new TFO to join us in the 4th quarter of this grant year. In addition, one of our SCCG-funded TFOs lost his job at his county's Sheriff's Office after a new Sheriff was elected. Fortunately, due to a retirement, the officer was hired by the Platte County Sheriff's Office and he will remain on the WMCCTF, while his salary and benefits will be assumed by Platte County. Finally, the WMCCTF Forensic Examiner who is assigned to the Heart of America Regional Forensics Lab, completed his training courses work and sat for the field exam.

ST. LOUIS CO SPEC INVEST UNIT	Due to the increased cases of sex trafficking of a child in the area resources have been strained and additional assistance may be needed in the near future to ensure that all cases are handled in a timely manner. An example is one sex trafficking of a minor case has turned into 13 additional sex trafficking/sex crimes investigations with the possibility of identifying additional suspect.
