QUESTIONS

Frequently Asked Questions from Current & Previous SSVF NOFO Workshops

Q: Will the PowerPoint be posted?

A: Yes, the PowerPoint will be available on our SSVF webpage for access by all.

Q: How much funding is available, and how does it compare to last year?

A: We do not have a final amount at this time. We do anticipate that the amount available will be less than the current amount.

Q: Is substance use disorder counseling provided for domestic violence shelter residents an allowable "mental health counseling" expense?

A: If a client requests services for their victimization, and it is discovered substance use counseling would also benefit them in their recovery from violence, the counseling is allowable.

Frequently Asked Questions from Current & Previous SSVF NOFO Workshops

Q: Are benefits for advocates who are providing direct services covered under this grant?

A: Yes

Q: Can a supervisor who does not provide direct service but supervises direct service staff/volunteers be an allowable expense?

A: Payment of salaries and expenses of supervisory staff in a project can be allowable **if** the supervisory staff are necessary to effectively facilitate the provision of direct services.

Q: What is the difference between primary and secondary victims?

A: The primary victim is the individual who was the victim of the crime. If family members also receive services, those individuals would be considered secondary victims.

Q: What is earliest we can submit an application?

A: The application should be available in WebGrants March 4, 2024. You can submit as soon as you get the application completed. However, please ensure to review to ensure accuracy.

Frequently Asked Questions from Current & Previous SSVF NOFO Workshops

Q: If we receive VOCA and DVSS are we allowed to apply for the SSVF?

A: Yes.

Q: Is there a recommended request range? Or a typical award amount for SSVF? Is there a max that can be requested?

A: There is no maximum on the amount you may request. Apply only for what you need and believe you can actually spend. OVC has no way of projecting the amount or number requests we will receive for any funding opportunity.

Q: May funds be used to pay for relocation of the victim and family if threatened with eviction or experiencing trauma?

A: SSVF could pay for relocation expenses when necessary to ensure the safety of the victim.

Frequently Asked Questions from Previous SSVF NOFO Workshops

Q: Would medical services be eligible expenses?

A: No. Medical expenses are not eligible; however, an advocate attending a medical appointment/exam to provide support to a victim, would be allowable time. If applicable, the victim should be assisted with completing a Crime Victims' Compensation Application. CVC is an application process; meaning eligibility must first be determined. CVC is a payor of last resort. For more information or to request a training for your staff/community please visit <https://dps.mo.gov/dir/programs/cvc/>

Q: Does there have to be an active police report to be considered a victim?

A: Reporting to the proper authorities is encouraged; however it is not a requirement and should not prevent a SSVF subrecipient from providing services to victims.

Frequently Asked Questions from Current & Previous SSVF NOFO Workshops

Q: Can SSVF funds be used for burials or cremations?

A: No. Crime Victims Compensation (CVC) accepts applications for funeral expenses. This is an application process; meaning eligibility must first be determined. CVC is a payor of last resort. For more information or to request a training for your staff/community please visit <https://dps.mo.gov/dir/programs/cvc/>

Q: May funds be used to pay for repairs necessary as a result of the crime?

A: SSVF could reimburse for emergency services such as window, door, and lock replacement or repair, and other repairs necessary to ensure a victim's safety.

Q: Will this be a reimbursable grant?

A: Yes, funds are awarded on a reimbursement basis only. The agency must incur and pay the cost up front, then submit a reimbursement request for allowable expenses.

Frequently Asked Questions from Current & Previous SSVF NOFO Workshops

- Q:** Is this grant specifically for victim advocates, or can this be used to assist victims? Such as emergency hotel placement, gift cards for gas/food/etc.
- A:** Emergency hotel placement is allowable. Gift cards are not allowable, as there is no way to track whether a gift card is used for eligible expenses.
- Q:** The agency would need to pay the bill for emergency placement, and then we would submit it for reimbursement?
- A:** Correct. Invoices/receipts, and proof of payment would need to be submitted for reimbursement.
- Q:** Who qualifies as a victim?
- A:** Victim – a person who suffers personal injury or death as a direct result of a crime, as defined in subdivision (5) of RSMo 595.010.

Frequently Asked Questions from Current & Previous SSVF NOFO Workshops

Q: Are you able to work on the application in sections? For example, log in, start on the app, save, come back later and do more?

A: YES! The application is a series of “forms”; in order to save each form, you must first complete the required fields (marked with *).

You may use “placeholders” for required fields, just be sure to come back and update the fields prior to submission!

You can edit/update the information entered at any time (even if the form is marked “Complete”), up until the application is actually submitted. Once it is submitted, it cannot be changed.

Q: Are Batters’ Intervention Programs (BIP) eligible for funding?

A: Unfortunately, no. SSVF is for direct victim services only.

Frequently Asked Questions from Current & Previous SSVF NOFO Workshops

Q: Can we download the application with all the dropdown menus for the objectives?

A: Unfortunately, no.

Q: Will SSVF pay for services to witnesses who are in danger?

A: SSVF can only reimburse for services to crime victims. If you are looking for services regarding witnesses, the agency will need to coordinate with local Law Enforcement.

All local law enforcement agency's are eligible to register for the **Protection Program for Victims/Witnesses of Violent Crime (PPVVC)**.
