# Missing Children's Day Discussion Guide

Below is a guide intended for a facilitator (i.e., teacher, parent) to reference as a discussion starter with students. We hope this discussion will make the subject less scary and provide students with an understanding of the poster contest topic to help generate ideas for their artwork.

## What is Missing Children's Day?

- An annual ceremony to recognize the amazing people who help to protect children.
- These people include law enforcement officers, social workers, prosecutors and everyday people (i.e. teachers, moms, dads, brothers, sisters, neighbors).
- The theme is "Bringing Our Missing Children Home".
- There are people in this world that do bad things and break the law. This is why we have police and judges.
- Sometimes these people do bad things to kids, like take them away from their families.
- Police can help by searching and helping to return these children to their home.

## Questions for Students

- Have you or anyone you love ever been lost before?
- How did you feel?
- Did anyone help you or your loved one return home?
- Who found you or your loved one?
- How do you think your family felt?

## Provide Guidance for Students

- When you draw your art, think about:
- How you felt if you have ever been lost.
- Who helped you if you were lost or afraid?
- How your family felt or would feel if you were lost?

"I created this poster because 89 percent of missing children die in 24 hours after being confirmed as missing. Finding a missing child in 24 hours should be the goal. In my artwork, different races and communities work together for a common goal, to find the missing child. While working together to find a missing girl, during this time I hope they realize that any child deserves rescuing."
