SAVE THE DATE!

2023 Missouri Victim Services Academy **April 25 – 27, 2023** **Jefferson City, MO**

Exciting changes are happening with the MVSA! The MVSA will **not be held in conjunction with the MAPA Fall Prosecutors Conference** this year at the Lake of the Ozarks. The next MVSA will begin on **April 25, 2023** and will conclude with the annual Crime Victim Rights ceremony at our State Capitol.

The MVSA offers learning opportunities for both community-based advocates and system-based advocates. All crime victim advocates/organizations are welcome to attend! The voices of advocates across the state have been heard! The DPS-Office for Victims of Crime, the Missouri Association of Prosecuting Attorneys, and the MVSA Planning Committee are working to deliver an agenda rich in high quality, timely and practical information to increase the capacity of the Missouri victim advocacy network.
