WebEx Meeting Information

Large groups and low bandwidth locations should utilize conference rooms equipped with PC/laptop, speakers, and a projector.

Click the link provided below to access The Meeting Center 'Quick Start' page requiring your name and email address. Staff connecting individually from their desktop should select the "Connect to Audio Icon" and choose the "Call Using Computer" option utilizing internal or external speaker(s) Choose the "Call Me" option if your device does not have internal or external speakers and enter your desk phone or mobile device number. The WebEx software will dial your number automatically to avoid long distance charges.

The "I will call in" option should only be used if the above options are unavailable due to long distance charges being incurred.

For larger group conferences or conferences with a presenter, please remember to mute your audio to avoid interrupting the session.

Use the Chat Feature during the meeting if you have questions. Meeting host will monitor chat session.
