

## VAWA Annual Report

The new Annual Performance Reporting tool for your VAWA grant has been released. You are now responsible for submitting your performance report data through a new web-based system. The due date this year is 6/5/2024 to accommodate this process change. The reporting period is January 1, 2023 through December 31, 2023.

Follow this URL <https://reporting.vawamei.org/ta-form-new/?inviteKey=3BF3C500-8954-4DAC-9C80-FE75DAD76763> to a blank form, which will create a unique URL for your data after you enter your Point of Contact information at the beginning of the report. When prompted, **please save this unique URL** so you can return to your in-progress report until you submit it.

As in previous years, each section begins with a question asking if your subaward funds were used to support the following activity. If you check yes, you will enter the requested information in that section. If you check no, you will skip to the next section.
