# Introduction

The WebGrants grants management software was introduced by the Missouri Department of Public Safety in January 2011.

WebGrants is a web-based computer program that supports the application and administration of grants available from the Missouri Department of Public Safety, Office of the Director or State Emergency Management Agency.

- New organizations (new agencies; not referring to new people) must first refer to the [Registration](#) section of this manual to enroll their organization and to personally obtain a User ID and Password.
- Once a User ID and Password are obtained, users should refer to the [Login](#) section of this manual.
- Users unsure of their User ID and/or Password should refer to the [Forgot User ID](#) and [Forgot Password](#) sections of this manual for instructions on how to retrieve user information.
- Users needing to update contact information for themselves and/or their associated organization(s) should refer to the [Edit Contact Information](#) and [Edit Organization Information](#) sections of this manual.
- Additional users associated with a registered organization should be 'added' by an existing registered user rather than registering on the login page. By completing the registration form on the login page, the user is re-registering the already registered organization - this is not appropriate. Refer to the [My Profile, Add Additional Registered Users](#) section of this manual to add additional users.
- Users searching for grants available from the Missouri Department of Public Safety should refer to the [Funding Opportunities](#) section of this manual.
- Users searching for a grant application that has previously been started and/or submitted (or to determine if a grant application has ever been started and/or submitted by the organization) should refer to the [My Applications](#) section of this manual.
- Users searching for a grant that has been awarded (or to determine if a grant has ever been awarded to the organization) should refer to the [My Grants](#) section of this manual.

## A. Registration

The Registration area of the login page is for purposes of adding new organizations (new agencies; not referring to new people) that have not yet been added to WebGrants.

**NOTE: IF THE ORGANIZATION HAS ALREADY BEEN ADDED, THIS AREA SHOULD NOT BE USED. Instead, individuals not yet registered and associated to their registered organization should be added to the existing organization as detailed in the *My Profile, Add Additional Registered Users* section of this manual.**

**Announcements**

Welcome to the Missouri Department of Public Safety's WebGrants homepage!

New and returning users are encouraged to use our [WebGrants External User Manual](#) to navigate WebGrants.

1/25/18: Please note, Microsoft has announced that it will be discontinuing versions of Internet Explorer v.10 and prior in the coming months. The only internet browsers recommended for use with WebGrants are Google Chrome, Internet Explorer v.11, Edge, and Safari. Users should know that problems could exist within the system through use of any other browser.

To access WebGrants, users must have a User ID and Password. Returning users may enter their User ID and Password in the "Log In" section above to access WebGrants. If you have forgotten your User ID, click "Forgot User ID" above to have it sent to your email. If you have forgotten your Password, click "Forgot Password" to have it sent to your email. If you have forgotten your User ID and Password, contact a Department of Public Safety staff member.

The WebGrants system tracks users by their organization. If the organization is already registered with WebGrants, new users should refrain from submitting a registration request. Instead, new users for an already registered organization should contact the registered user(s) within their organization to obtain a User ID and Password. Existing registered users are responsible for adding additional registered users through the "My Profile" module once logged into WebGrants. Users who have been added by an existing user are not subject to approval by the Department of Public Safety, but please note that the Department of Public Safety is not notified of such additions, which could result in the new user not being included in the appropriate contact list and thus not receiving email notifications. If your organization has an existing grant with the Department of Public Safety, please consult with the grant's guidelines about how to notify of the addition of registered users.

Only organizations not yet registered with WebGrants should use the "Register Here" section above. The "Register Here" section will register the organization and the user. Be sure the information provided is that of your applicant agency and work contact. Once completed, your registration will be subject to approval by the Department of Public Safety.

Users (e.g. grant writers) seeking access to multiple approved organizations within WebGrants should contact the Department of Public Safety to allow access to view each organization's grants. These users should not register in WebGrants more than once as each registration assigns a new login. The user would be unable to maintain all relevant grants under one login if registered more than once.

If you have questions or problems, please email [dpswebgrants@dps.mo.gov](mailto:dpswebgrants@dps.mo.gov) or call (573) 751-4905. If you have questions about a particular grant program, please be sure to include the name of the grant program in the subject line of any e-mail messages. This will ensure your email is handled promptly by the appropriate program staff.

2. Complete all required fields, and as many optional fields as possible, on the Registration Form. The red asterisk (\*) indicates a required field.

Personal Information: users should register themselves as their position applies to the organization/agency in which they are associated

- Name/Title – individual’s name title (e.g. Mr., Ms., Dr., Sheriff, Deputy Sheriff, Chief, Lt., Sgt., Officer, etc.) to be used for salutations
- Name/First Name – individual’s first name
- Name/Last Name – individual’s last name
- Job Title – individual’s job title within the organization for which they are registering
- Email – individual’s email address that will be checked regularly
- Confirm Email – re-enter the email address previously provided

**NOTE: The following lines regarding addresses will differ for all individuals. Some addresses are simple while others are more complex. Multiple lines have been provided for individuals that have complex addresses, such as having a PO Box and a street address or having a building name, room number, or suite number. Each line is not required, however, so avoid providing repetitive information.**

- Mailing Address – the address used by the US Postal Service – this may be a PO Box or a physical street address, whichever is applicable
- Street Address 1 – (this is not a required field) – if a PO Box was provided on the mailing address line, please provide the physical street address here, but if the physical street address was provided on the mailing address line, this field may not be necessary
- Street Address 2 – (this is not a required field) – provide additional information here, if applicable
- City – city associated with the mailing address
- State – state associated with the mailing address
- Postal Code/Zip – zip code associated with the mailing address
- Phone – telephone number at which the individual can be reached during business hours
- Phone Ext – (this is not a required field) the individual’s telephone extension, where applicable – if the telephone number is a direct line and an extension is not applicable, just leave this field blank
- Fax – facsimile number at which the individual can be reached during business hours

Organization Information: users should register their associated organization

- Applicant Agency – agency associated with the registered user. Non-profit, for-profit, and faith-based organizations should enter their legal name. Units of government should enter their unit of state or local government followed by a comma and the project agency.  
 Example #1: Cole County Sheriff’s Office = Cole County, Sheriff’s Office  
 Example #2: Cole County Prosecutor’s Office = Cole County, Prosecutor’s Office  
 Example #3: Clay County Park Rangers = Clay County, Park Rangers  
 Example #4: Callaway County Juvenile Office = Callaway County, Juvenile Office  
 Example #5: Jefferson City Police Department = Jefferson City, Police Department  
 Example #6: Missouri State Highway Patrol Crime Lab = Missouri State Highway Patrol, Crime Lab  
 Example #6: Audrain County Emergency Management Agency = Audrain County, Emergency Management Agency  
 Example #7: Jackson County Drug Task Force = Jackson County, Drug Task Force

**NOTE: The manner in which this reads is that the Missouri Department of Public Safety (DPS) is contracting with the unit of government on behalf of the specified project agency. DPS is still entering into a contract with the unit of government and will be disbursing all grant funds to the unit of government, but for purposes of registration and separation/confidentiality of**

**grant records, the project agency must be identified. This allows units of government with multiple divisions/departments/projects to maintain an organizational profile for each of the divisions/departments/projects but with potentially different registered users for each division/department/project.**

- Organization Type – select from the drop down list of 1) Non-Profit, 2) Government, 3) For Profit, 4) Faith Based, or 5) Individual
- Federal Tax ID # - 9-digit number of the non-profit, unit of government, for-profit, or faith-based organization
- DUNS # - DUNS stands for Data Universal Numbering System; a DUNS number is a unique 9-digit number sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. Obtaining a DUNS number is a free, one-time activity. Ask your grant administrator, chief financial officer, or authorizing official of your organization to identify the applicant agency's DUNS number. If your organization does not know its DUNS number or needs to register for one, visit <http://www.dnb.com/>.
- SAM/CCR CAGE Code – SAM stands for System for Award Management and is a Federal Government owned and operated free website that centralizes information about grant recipients. Federal guidelines require that applicant organizations must (1) be registered in SAM.gov prior to submitting an application and (2) continue to maintain an active SAM registration with current information at all times during which it has an active award. To register in SAM or to renew or update an existing SAM registration, visit <https://www.sam.gov>. Upon successful registration with SAM, the applicant organization will be assigned a unique 5 character CAGE Code consisting of numbers and letters. (Prior to SAM, the Federal government utilized CCR. CCR stood for Central Contractor Registration. Upon successful registration with CCR, the applicant organization was assigned a unique 5 character CAGE/NCAGE sequence consisting of numbers and letters.) Obtaining a SAM CAGE code is a free activity but organizations must renew a SAM registration every 12 months. Ask your grant administrator, chief financial officer, or authorizing official of your organization to identify the applicant agency's SAM CAGE code. If your organization does not know its SAM CAGE code or needs to register for one, visit <https://www.sam.gov>.
- SAM/CCR Valid Until Date – (this is not a required field and may be left blank, but should be entered if a SAM/CCR Code is provided) the date the aforementioned SAM/CCR Registration is valid until; enter format as mm/dd/yyyy or select from the date picker. SAM registrations are only effective for 12 months. To renew or update a SAM registration, visit <https://www.sam.gov>.
- Organization Website – (this is not a required field) the applicant agency's website, where available

**NOTE: The following lines regarding addresses will differ for organizations. Some addresses are simple while others are more complex. Multiple lines have been provided for organizations that have complex addresses. Each line is not required, however, so avoid filling in repetitive information.**

- Mailing Address – the address used by the US Postal Service – this may be a PO Box or a physical street address, whichever is applicable. This address should correspond to the address registered to the DUNS Number and/or CCR Registration identified above.
- Street Address 1 – (this is not a required field) – if a PO Box was provided on the mailing address line, please provide the physical street address here, but if the physical street address was provided on the mailing address line, this field may not be necessary. Where applicable, this address should

also correspond to the address registered to the DUNS Number and/or CCR Registration identified above.

- Street Address 2 – (this is not a required field) – provide additional information here, if applicable
- City – city associated with the mailing address
- State/Providence – state associated with the mailing address
- Postal Code/Zip – zip code associated with the mailing address
- +4 – postal code/zip 4-digit extension for the mailing address identified above; if unknown, search the USPS Zip Code Lookup website at <https://tools.usps.com/go/ZipLookupAction!input.action>
- County – select from the drop down list of Missouri counties
- Congressional District – select from the drop down list of Missouri congressional districts
- Phone – main/general telephone number for the applicant agency
- Ext – (this is not a required field) the applicant agency’s telephone extension, where applicable – if the telephone number is a direct line and an extension is not applicable, just leave this field blank
- Fax – the applicant agency’s main facsimile number

## D. Forgot Password

The **Log In** area of the login page is for users that have an approved WebGrants registration. However, if you have forgotten or misplaced your login information, this area will also assist you in retrieving such information.

1. If you have forgotten or misplaced your password, click the **Forgot Password?** link on the login page.

The screenshot shows the Missouri Department of Public Safety WebGrants login page. At the top left is the logo and name. A 'Log In' link is visible. The main login area contains fields for 'User ID' and 'Password', a 'Log In' button, and two links: 'Forgot User ID?' and 'Forgot Password?'. The 'Forgot Password?' link is highlighted with a red rectangular box. To the right, there is a 'New to WebGrants - Missouri Department of Public Safety? Register Here' section. Below the login area is an 'Announcements' section with several paragraphs of text regarding user registration and system compatibility.

2. Enter your User ID and Email Address in the displayed form and click the **Submit** button.

The screenshot shows the 'Forgot Password' form on the Missouri Department of Public Safety WebGrants page. The form is titled 'Forgot Password' and contains two input fields: 'User ID' and 'Email Address'. Below the 'Email Address' field is a 'Submit' button. The form is centered on the page, and the background shows the 'Forgot Password' link from the previous step.

3. If the information matches a record in the database, your User ID and Password will be emailed to you.

**NOTE: If you are unsuccessful in retrieving your Password using these steps, please email [dpswebgrants@dps.mo.gov](mailto:dpswebgrants@dps.mo.gov) or call (573) 751-4905 and the Missouri Department of Public Safety will be able to assist you, following verification of the requestor.**

## E. Announcements

This area of the login page lists any announcements from the Missouri Department of Public Safety.

**NOTE: From time to time, the WebGrants system will be scheduled for maintenance or will experience technical issues. When these occur, the Missouri Department of Public Safety will advertise them in the *Announcements* section. Therefore, users are encouraged to review this area prior to login to ensure there are no existing problems or outages that may interrupt the user's ability to login to and/or navigate within WebGrants. In addition, a copy of this WebGrants External User Manual is available from the *Announcements* section. As the manual is updated, it will be made available to users via this area.**

# Main Menu

The **Main Menu** is the first screen a user sees after logging into WebGrants. The user will see a minimum of five modules. These five modules will contain information relative to their associated organization(s).

**NOTE: Users that participate in grant reviews for a unit within the Missouri Department of Public Safety will see up to three additional modules: 1) Reviewer Instructions, 2) Conflicts of Interest, and 3) My Reviews. These additional modules are not discussed in this external user manual.**

## WebGrants Toolbar:

The following commands are the standard options that will appear on every screen of the WebGrants system. Some options will not be available on all screens and will consequently be grayed out.

- The **Menu** button will always return the user to the Main Menu screen.
- The **Help** button will provide information and instructions pertaining to the screen, where available.
- The **Log Out** button will return you to the login screen.
- The **Back** button will return you to the previous screen. Use only the *Back* button while in WebGrants. Do NOT use the internet browser's back arrow. You may lose changes if you use the internet browser's back arrow.
- The **Print** button will print the displayed information in a printer-friendly format, where applicable.
- The **Add** button will allow the user to include lines within a grid-style form (e.g. budget, other attachments, etc.), where applicable.
- The **Delete** button will allow the user to delete a line within a grid-style form (e.g. budget, other attachments, etc.), where applicable.
- The **Edit** button will allow the user to "open up" a form to enter text or to make changes to previously entered text, where applicable.
- The **Save** button will allow the user to save changes to a form (so long as all required fields are completed), where applicable.

## A. Instructions

This module of WebGrants displays system information for all external users. It is primarily a navigational aid that informs the external user how WebGrants works and how to use the various modules and commands.

- E. The new registered user will receive a system-generated email with their **User ID** and **Password**.

**NOTE:** By adding users through this method, their registration will not be subjected to approval by the Missouri Department of Public Safety, thus making the process quicker. However, the Missouri Department of Public Safety is not notified when a new user is added to an organization's profile. Therefore, if the organization has an existing, underway grant, the organization should contact their appropriate DPS Internal Contact to ensure the new user is added to any applicable contact lists. Adding users to the organization's profile does not automatically enroll the new user to receive system-generated alerts. Adding users to the organization's profile merely gives them a login and ability to navigate the system.

## C. Funding Opportunities

This module of WebGrants displays all available funding opportunities receiving applications offered by the Missouri Department of Public Safety for the following five units: 1) Criminal Justice/Law Enforcement (CJ/LE) Unit, 2) Crime Victims Services (CVSU) Unit, 3) Juvenile Justice (JJ) Unit, 4) Office of Homeland Security (OHS), and 5) State Emergency Management Agency (SEMA).

### 1. Search for a Funding Opportunity

External users are able to search for and review funding opportunities at any time. Only funding opportunities accepting applications will display, but each of these posted funding opportunities will provide important and relative information and resources. Exploring the funding opportunities allows an organization to determine if the funding opportunity is appropriate for its needs.

A. On the **Main Menu**, click the **Funding Opportunities** module.

B. The **Current Funding Opportunities** screen will display all active and open funding opportunities receiving applications posted by the Missouri Department of Public Safety, including the application deadline. Click on a program listed in **Opportunity Title** column to view information about the funding opportunity and/or to start an application.

The screenshot shows the 'Current Funding Opportunities' screen. Below the header, there is a table with the following columns: ID, Agency, Program, Opportunity Title, and Application Deadline. The 'Opportunity Title' column is highlighted with a red box. The table contains the following data:

ID	Agency	Program	Opportunity Title	Application Deadline
91992	Criminal Justice Law Enforcement	Edward Byrne Memorial Justice Assistance Grant (JAG)	2018 JAG - DTFs	04/04/2018
91489	Criminal Justice Law Enforcement	Missouri Crime Laboratory Upgrade Program (MCLUP)	2019 MCLUP	04/19/2018
92295	Criminal Justice Law Enforcement	Residential Substance Abuse Treatment (RSAT)	2018 RSAT	05/01/2018
92524	Missouri Office of Homeland Security Grants	State Homeland Security Program (SHSP)	2018 SHSP Region B	05/15/2018

**Description**

OVERVIEW:

The Missouri Crime Laboratory Upgrade Program (MCLUP) utilizes funds from the State Forensic Laboratory Account.

The goal of the MCLUP Program is to provide financial assistance to defray expenses of crime laboratories. Funds are distributed to the crime laboratories serving the courts in Missouri making analysis of a controlled substance or analysis of blood, breath, or urine in relations to court proceedings.

FUNDING ALLOCATION:

Funds are appropriated and collected pursuant to Section 488.029 RSMo, which requires a surcharge of \$150 be assessed and collected in all criminal cases for any violation of drug offenses (formerly Chapter 195, RSMo) in which a crime lab makes analysis of a controlled substance. These fees are deposited in the State Forensic Laboratory Account.

In addition, pursuant to Section 595.045 RSMo, which created the "Crime Victims' Compensation Fund", a surcharge of \$7.50 shall be assessed as costs in each court proceeding filed in any court in the state in all criminal cases including violations of any court ordinance or any violation of criminal or traffic laws of the state. An annual deposit of \$250,000 is made to the State Forensic Laboratory Account from these fees. Any remaining funds are utilized by the Crime Victims Compensation program or the State Services to Victims Fund (SSVF) program administered by the Missouri Department of Public Safety.

The sum of the drug (formerly Chapter 195 RSMo) collection fees and the Crime Victim Compensation Fund annual deposit are divided amongst the eligible crime laboratories based on calculations established by the Missouri Association of Crime Laboratory Directors (MACLD).

ELIGIBLE APPLICANTS:

Only crime laboratories that serve the courts of Missouri, making analysis of a controlled substance or analysis of blood, breath, or urine in relation to a court proceeding are eligible for the MCLUP Program.

To serve the courts of Missouri, the crime laboratory must be accredited to the standards of ISO/IEC 17025.

The applicant agency for the crime laboratory must be its respective unit of state or local government.

LOCAL MATCH REQUIREMENT:

The MCLUP Program has no local match requirement.

- F. The **Application Forms** screen will list each form that comprises the funding opportunity's application. Each form must be completed and **Marked Complete** prior to submission.

**NOTE: Multiple users can work on a single application at one time so long as they are not editing the same form at the same time.**

### 3. Copy an Existing Application

The **Copy an Existing Application** feature is intended for organizations that have applied for the selected program area in the past and wish to start a new application with information pre-populated from a previous application. This feature decreases the amount of information that must be entered by the applicant, but the feature requires a great deal of review by the applicant to ensure the copied information is still current and relevant to the application form.

**NOTE: If the Missouri Department of Public Safety creates a new application form or a new version of an existing application form for the funding opportunity, the *Copy an Existing Application* feature will not populate the new form (or new version of the form). The *Copy an Existing Application* feature only works if an application is copied from and to the same program area and only for forms that are reused year-to-year. Therefore, while the *Copy an Existing Application* feature can still work; not every application form may populate depending on how the funding opportunity was established.**

- A. On the **Main Menu**, click the **Funding Opportunities** module.
- B. Select the funding opportunity from the **Opportunity Title** column.
- C. To copy a previously created application for the selected Funding Opportunity, click **Copy Existing Application**.

- D. Select the application you wish to copy by clicking the radio button in the **Copy** column. Click **Save** when completed.

**NOTE: Applicants must select from the same program area for this feature to be successful. The system will not disallow an applicant from selecting, for example, to copy an application from the Crime Victim Services Unit to the Deputy Sheriff Salary Supplementation Fund (DSSSF), but the copied application will not populate with the appropriate information.**

## 4. Complete an Application

- A. Continue from the previous instructions, or on the **Main Menu**, click the **My Applications** module and select the appropriate application.
- B. The **Application Forms** screen will outline each form that must be completed in order to submit an application to the Missouri Department of Public Safety.

**NOTE: The application forms vary among the grant programs and funding opportunities. The following screenshot is merely an example.**

The screenshot shows a web application interface. At the top, there is a navigation bar with icons for Menu, Help, and Log Out, and another set of icons for Back, Print, Add, Delete, Edit, and Save. Below this is a header section titled "Application" with a red box around it. The header contains the following information:

- Application: 91483 - DPS's MCLUP Application
- Program Area: Missouri Crime Laboratory Upgrade Program (MCLUP)
- Funding Opportunities: 91476 - 2019 MCLUP (test)
- Application Deadline: 04/19/2018
- Organization: BaseLine Organization

A callout box points to the header with the text: "This header box will display on each screen of your application as a reminder of the project title, grant program, and application deadline."

Below the header is an "Instructions" section with a paragraph of text. Underneath is a table titled "Application Forms" with columns for "Form Name", "Complete?", and "Last Edited". The table has a red box around it. The "Complete?" column has a checkmark in the first row. The "Last Edited" column shows dates for each row.

The **Complete** column will track your progress of completing each application form. Each form must be **Marked Complete** before the application can be submitted.

**NOTE: Application forms which have been Marked Complete may still be edited at any time until the application is submitted. Once the application is submitted though, it is locked.**

The **Last Edited** column will track your changes while completing each application form. If you have marked a form complete, you may still reopen and edit the form until the application is submitted. If you reopen and edit a form, the **Last Edited** column will update accordingly.

- C. To open an application form, click on the form link in the **Form Name** column.

The screenshot shows a web application interface for managing applications. At the top, there is a navigation bar with icons for Menu, Help, and Log Out, and another set of icons for Back, Print, Add, Delete, Edit, and Save. Below this is a section titled "Application" with details for "Application: 91483 - DPS's MCLUP Application". The details include Program Area (Missouri Crime Laboratory Upgrade Program (MCLUP)), Funding Opportunities (91476 - 2019 MCLUP (test)), Application Deadline (04/19/2018), and Organization (BaseLine Organization). Below the details is an "Instructions" section with a paragraph of text. At the bottom is a table titled "Application Forms" with columns for "Form Name", "Complete?", and "Last Edited". The table contains several rows of application components, with the first row "General Information" having a checkmark in the "Complete?" column. A red box highlights the "Form Name" column.

- D. To complete an application form, click the **Edit** button or the **Add** button on the toolbar, or just begin typing if already in the edit mode. Each component is a little different depending on the type of form. When the entire form is completed, click the **Save** button on the toolbar.

The screenshot shows the application form editing interface. At the top, there is a banner for "Missouri Department of Public Safety" and a navigation bar with icons for Menu, Help, and Log Out, and another set of icons for Back, Print, Add, Delete, Edit, and Save. Below this is a section titled "Application" with details for "Application: 91484 - DPS's MCLUP Application". The details include Program Area (Missouri Crime Laboratory Upgrade Program (MCLUP)), Funding Opportunities (91476 - 2019 MCLUP (test)), Application Deadline (04/19/2018), and Organization (BaseLine Organization). Below the details is an "Instructions" section with a paragraph of text and a note. Below the instructions is a "Contact Information" section with a sub-section titled "Authorized Official". The "Authorized Official" section contains a paragraph of text and a form with fields for Name (Title, First Name, Last Name) and Job Title. A red box highlights the "Add", "Delete", "Edit", and "Save" buttons in the toolbar.

- E. Once the form is saved and reviewed for accuracy, click **Mark as Complete**. This command will return you to the **Application Forms** screen to continue.

## 5. Preview an Application

- A. Continue from the previous instructions, or on the **Main Menu**, click the **My Applications** module and select the appropriate application.
- B. While on the **Application Forms** screen, the **Application Details** command will display a print preview copy of your application.
