Funding Opportunity Title

FY 2025 State Homeland Security Program – Counter Terrorism Officer (CTO) Equipment Grant

Introduction

The Missouri Department of Public Safety (DPS)/Office of Homeland Security (OHS) is pleased to announce the funding opportunity for the FY 2025 State Homeland Security Program (SHSP) Counter Terrorism Officer (CTO) Equipment Grant. This state administered, but federally funded program, is made available through the Grants Programs Directorate (GPD) within the Federal Emergency Management Agency (FEMA).

Program Description

The SHSP aims to strengthen the nation's ability to precent, prepare for, protect against, and respond to acts of terrorism and other threats.

The CTO Equipment Grant is available to any agency employing a member of the Missouri Office of Homeland Security Counter Terrorism Officer Program. The grant is for allowable equipment items up to a **maximum award amount of $7,500.00**. In 2019 the Missouri Office of Homeland Security (OHS) began a process of analyzing gaps, in prevention, response, and mitigation of acts of terrorism, identified in the Threat and Hazard Identification and Risk Assessment (THIRA) across the 32 Core Capabilities. Through these assessments, OHS has identified a critical shortage in law enforcement officers trained to identify and plan for potential terrorist threats and vulnerabilities in our local communities. In order to expand law enforcement capabilities in the areas of homeland security and to combat the rising threats of homegrown

violent extremism and terrorist threats across the state of Missouri, the Counter Terrorism Officer (CTO) Program was designed.

CTO's are located within multiple jurisdictions in each region of Missouri. These specially trained officers are members of their local law enforcement agencies and provide a level of expertise to their agency and community with regards to terrorism prevention, response and mitigation. This grant program will provide increased capabilities across these mission areas.

Objective

By combining specially trained officers with the proper mission specific equipment, this project will allow officers participating in the CTO Program to dramatically increase their ability to delay, divert, intercept, halt, apprehend, or secure threats and/or hazards.

This project addresses the gaps identified in the THIRA/State Preparedness Report (SPR), specifically as it applies to outreach to the fusion centers, Joint Terrorism Task Force (JTTF), and for the assignment of personnel for follow up interdiction and disruption.

This project will enhance the Missouri Counter Terrorism Officer Program's effectiveness at the local level by giving agencies the opportunity to acquire equipment uniquely focused on their terrorism prevention mission and locality. Items purchased through this opportunity will support the law enforcement officers involved in the CTO Program. Officers who are specially trained to prevent, respond to, and mitigate acts of terror is a homeland security initiative.

Period of Performance: 24 months

> **Projected Period of Performance Start Date**: September 1, 2025

> **Projected Period of Performance End Date**: August 31, 2027

Eligible Applicants:

To be eligible for this grant opportunity the agency must have staff participating in the CTO Program. Eligible applicants are listed in Appendix A. **Only entities listed in Appendix A are eligible to apply.**

DPS GRANTS – STATE REQUIREMENTS

To be eligible for grant funding through the Missouri Department of Public Safety (DPS), agencies must be compliant with the requirements listed below (as applicable) at the time of application and if awarded funding, must maintain compliance throughout the grant period of performance.

LAW ENFORCEMENT REQUIREMENTS
These requirements below apply only to law enforcement agencies.

Each law enforcement agency shall certify compliance with these requirements below when applying for grants administered by the DPS.

Section 590.650 RSMo – Vehicle Stops Report

Pursuant to Section 590.650.3 RSMo, each law enforcement agency shall compile the data described in subsection 2 for the calendar year into a report to the attorney general and each law enforcement agency shall submit the report to the attorney general no later than March first of the following calendar year.

NOTE: Failure to submit the Vehicle Stops (Racial Profiling) Report will result in the automatic denial of the application.

Section 590.700 RSMo – Written Policy on Recording of Custodial Interrogations

Pursuant to Section 590.700.4 RSMo, each law enforcement agency shall adopt a written policy to record custodial interrogations of persons suspected of committing or attempting to commit felony crimes as outlined in subsection 2.

Section 43.544 RSMo – Written Policy on Forwarding Intoxication-Related Traffic Offenses

Pursuant to Section 43.544.1 RSMo, each law enforcement agency shall adopt a policy requiring arrest information for all intoxication-related traffic offenses be forwarded to the central repository as required by Section 43.503 RSMo.

Section 590.1265 RSMo – Police Use of Force Transparency Act of 2021

Pursuant to Section 590.1265 RSMo, each law enforcement agency shall report data submitted under subsection 3 of this section to the department of public safety.

For purposes of grant eligibility, law enforcement agencies will be considered non-compliant if they have not submitted Use of Force reports for three or more months in the previous 12 months.

NOTE: Show Me Crime Reporting provides a no cost option for agencies to comply with Section 590.1265 RSMo. Agencies not currently compliant with Section 590.1265 RSMo will not be eligible to apply until they have registered with Show Me Crime Reporting and have begun submitting Use of Force reports.
https://showmecrime.mo.gov/CrimeReporting/ForcePage.html

Section 43.505 RSMo – Uniform Crime Reporting (UCR)

Pursuant to Section RSMo 43.505.3, each law enforcement agency in the state shall: (1) Submit crime incident reports to the department of public safety on forms or in the format prescribed by the department; and (2) Submit any other crime incident information which may be required by the department of public safety.

Agencies not compliant at the time of application will be ineligible for funding unless the grant allows funds to be utilized to assist the agency to become compliant.

For purposes of grant eligibility, law enforcement agencies will be considered non-compliant if they have not submitted MIBRS reports for three or more months in the previous 12 months.

NOTE: Show Me Crime Reporting provides a no cost option for agencies to comply with Section 43.505 RSMo. Agencies not currently compliant with Section 43.505 RSMo will not be eligible to apply until they have registered with Show Me Crime Reporting and have begun submitting MIBRS reports. https://showmecrime.mo.gov/CrimeReporting/MIBRSRegistration.html

Section 590.030 RSMo – Rap Back Program Participation

Pursuant to Section 590.030 RSMo, all law enforcement agencies shall enroll in the state and federal Rap Back programs on or before January 1, 2022 and continue to remain enrolled. The law enforcement agency shall take all necessary steps to maintain officer enrollment for all officers commissioned with that agency in the Rap Back programs. An officer shall submit to being fingerprinted at any law enforcement agency upon commissioning and for as long as the officer is commissioned with that agency.

The CTO equipment grant program is designed to specifically address gaps identified through the THIRA/SPR process completed by the Missouri Office of Homeland Security.

Other Eligibility Criteria

National Incident Management System (NIMS) Implementation

Prior to allocation of any Federal preparedness awards, subrecipients must ensure and maintain adoption and implementation of NIMS, including implementation of important operational systems defined under NIMS, such as the Incident Command System (ICS). The list of objectives used for progress and achievement reporting is on FEMA's website at NIMS Implementation and Training.

Please see the Preparedness Grants Manual for more information on NIMS.

Emergency Management Assistance Compact (EMAC) Membership

In support of the National Preparedness Goal (the Goal), SHSP subrecipients must belong to, be in, or act as a temporary member of EMAC. All assets supported in part or entirely with FY 2025 SHSP funding must be readily deployable and NIMS-typed when possible, to support emergency or disaster operations per existing EMAC agreements. In addition, funding may be used for the sustainment of core capabilities that, while they may not be physically deployable, support national response capabilities, such as Geographic/Geospatial Information Systems (GIS),

interoperable communications systems, capabilities as defined under the Mitigation Mission Area of the Goal, and fusion centers.

Application and Submission Information

    1. **Key Dates and Times**

       a. Application Start Date: August 21, 2025

       b. Application Submission Deadline: September 19, 2025, 5:00 pm CST

    2. **Agreeing to Terms and Conditions of the Award**

By submitting an application, applicants agree to comply with the requirements of this NOFO and the terms and conditions of the award, should they receive an award.

    3. **Application Maximum Award: $7,500.00**

Applications will only be accepted through the Missouri Department of Public Safety (DPS) online [WebGrants System](#).

As part of the FY 2025 SHSP CTO application, each eligible applicant must complete all application forms and provide all required documents:

    1. **Contact Information**

    2. **DPS Grants State Requirements**

    3. **SHSP CTO Project Package**

    4. **Interoperable Communications**

    5. **Budget**

    6. **Named Attachments**
        a. **Audit/Financial Statement (REQUIRED)**
        b. **Quote or Cost Basis**
        c. **Other Supporting Information (up to 5 attachments)**

SHSP CTO Equipment Grant Funding Guidelines

Subrecipients must comply with all the requirements in [2 C.F.R. Part 200](#) (*Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*). Funding guidelines established within this section support the four mission areas—Prevention, Protection, Mitigation, and Response—and associated core capabilities within the Goal. Allowable investments made in support of national priorities, must have a nexus to terrorism

preparedness and fall into the category of equipment aligned to building capability, closing capability gaps, and/or sustaining capabilities identified in the State THIRA/SPR.

Multiple Purpose or Dual-Use of Funds

For SHSP, many activities that support the achievement of core capabilities related to the national priorities and terrorism preparedness may simultaneously support enhanced preparedness for other hazards unrelated to acts of terrorism. However, all SHSP funded projects must assist subrecipients in achieving core capabilities related to preventing, preparing for, protecting against, or responding to acts of terrorism per section 2008(c) of the *Homeland Security Act of 2002* [6 U.S.C. § 609(c)].

General Funding Requirements

Costs charged to federal awards (including federal and non-federal cost share funds) must comply with applicable statutes, rules, and regulations, policies, this NOFO, the Preparedness Grants Manual, and the terms and conditions of the federal award. This includes, among other requirements that costs must be incurred, and products and services must be delivered, within the budget period. 2 C.F.R. § 200.403(h).

Subrecipients may not use federal funds or any cost share funds for the following activities:

- Matching or cost sharing requirements for other federal grants and cooperative agreements (see 2 C.F.R. § 200.306).
- Lobbying or other prohibited activities under 18 U.S.C. § 1913 or 2 C.F.R. § 200.450.
- Prosecuting claims against the federal government or any other government entity (see 2 C.F.R § 200.435).

Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services

Subrecipients, their contractors, or subcontractors must comply with the prohibitions set forth in Section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, which restrict the purchase of covered telecommunications and surveillance equipment and services. Please see 2 C.F.R. §§ 200.216, 200.327, 200.471, and Appendix II to 2 C.F.R. Part 200, and FEMA Policy #405-143-1 – Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services for more information.

Allowable Costs:

This grant only allows projects for equipment/supplies that will support the Counter Terrorism Officer (CTO) and their mission. The allowable equipment categories for SHSP are listed on the Authorized Equipment List (AEL). Some equipment items require prior approval from FEMA/DPS/OHS before obligation or purchase of the items. Please reference the grant notes for each equipment item to ensure prior approval is not required or to ensure prior approval is obtained if necessary.

Allowable/Recommend Equipment:

- 03OE-02-TILA- Optics, Thermal Imaging and/or Light Amplification (no weapons mounted options) – Night Vision
- 03OE-02-BNOC- Binoculars/Scopes (no weapons mounted options) - Binoculars
- 06CC-01-CELL- Communications and Computing Device, Handheld – Handheld, ultraportable communications devices
- 03OE-03-KTFA- Kit, First Aid, Trauma Type – First Aid/Trauma Kits
- 01LE-02-ARMR – Body Armor
- Other personal protective equipment (see Authorized Equipment List)
- 04HW-01-INHW – Mobile Data Terminal (MDT)
- 03OE-07-SUAS- System, small unmanned aircraft (will require drone operator license) – Drones, Small Unmanned Aircraft
  - **Only drones manufactured in the United States are allowable**
    - List of United States manufactured drones that have been approved by the Department of Defense can be found here: Blue UAS Cleared List. *Note: The drones on this list are only those that have been approved by the Department of Defense. Those on this list are not the only United States manufactured drones that are allowable.
  - **All drones require a waiver from the DHS/FEMA before purchase.** *Note: Required information for the drone waiver is not required at the time of application submission but is required before the waiver request can be submitted to DHS/FEMA. At a minimum, the drone waiver will require the following information:
    - Justification to describe the need for the drone with the primary focus on homeland security and Chemical, Biological, Radiological, Nuclear, Explosive (CBRNE)-nexus
    - Detailed specifications for each piece of equipment/component of the drone to include the make, model, and operating weight
    - Justification how the drone fits into state and local operational planning
    - Examples of how the drone will be operationally deployed
    - Justification how the drone will be used in non-emergency scenarios
    - Civil Rights and Civil Liberties Policy(s) that align with: Presidential Memorandum: Promoting Economic Competitiveness While Safeguarding Privacy, Civil Rights, and Civil Liberties in Domestic Use of Unmanned Aircraft Systems. Policies must contain the following:
      - Privacy Section that includes provisions addressing the following:
        - Authorized Purposes
        - Data Collection
        - Dissemination
        - PII Retention
        - Policy Review
      - Civil Rights/Civil Liberties section that addresses the following:

- - o Specific language that drone-collected data won't be used to monitor protected activities
    - o Specific language that drone-collected data won't be used based on individual characteristics
    - o Civil rights/civil liberties and privacy complaint and investigations
  - Accountability section that addresses the following:
    - o Audit and oversight of subrecipient's drone program
    - o Rules of conduct for personnel involved in the drone program
    - o Protocols for dealing with misuse and abuse of drone data
    - o Data-sharing and records management
    - o Mutual Aid requests
  - Transparency section that addresses the following:
    - o Public notice about drone program
    - o Public notice about planned operations
    - o Annual public reporting
  - o Drone Resources:
    - ▪ [Unmanned Aircraft Systems: Considerations for Law Enforcement Action](#)
    - ▪ [Unmanned Aircraft Systems Resources](#)

Some allowable equipment items have specific requirements to be eligible for funding. Those with specific requirements are listed below. **Please note, the items listed below are not the only eligible equipment items.**

- Interoperability Equipment (Portables/Handhelds, Mobiles, Repeaters, Base Stations, etc.)

All interoperable communications equipment must meet the Missouri Department of Public Safety, Office of the Director, DPS Grants [Radio Interoperability Guidelines](#). The Missouri Interoperability Center (MIC) will review all communications equipment applications to ensure they comply with the [Radio Interoperability Guidelines](#). **Applications that do not meet these guidelines will not be eligible for funding.**

NOTE: Agencies seeking any type of radio or radio-related accessory are encouraged to contact the Missouri Interoperability Center by phone at (573) 522-1714 or by email at moswin.sysadmin@dps.mo.gov to ensure compliance with the Radio Interoperability Guidelines and the appropriate communication devices are purchased for the department's needs. The Missouri Interoperability Center staff can also provide helpful information regarding the department's ability to access the MOSWIN and how to articulate such within the grant application.

- Mobile Data Terminals (MDTs) / Mobile Data Computers (MDCs) Requirements

Agencies seeking funding for mobile data terminals should research the type of computer being requested. The Missouri Department of Public Safety is aware that non-ruggedized laptops and tablets are typically not durable enough for road patrol purposes and therefore not the best use of funds.

- Body-Worn Cameras

Agencies seeking funding for Body-Worn Cameras (BWCs) must have policies and procedures in place related to equipment usage, data storage and access, privacy considerations, and training. Subrecipients of funding for Body-Worn Cameras must supply the Missouri Department of Public Safety with a copy of such policy(s) and procedure(s) at the time of claim submission.

- Body Armor

Funds may be used to purchase body armor at any threat level designation, make, or model from any distributor or manufacturer, as long as the body armor has been tested and found to comply with the latest applicable National Institute of Justice (NIJ) ballistic or stab standards, which can be found online at https://www.nij.gov/topics/technology/body-armor/Pages/standards.aspx.

Body armor or armor vests must also be "uniquely fitted vests" which means protective (ballistic or stab-resistant) armor vests that conform to the individual wearer to provide the best possible fit and coverage, through a combination of:

(1) Correctly sized panels and carrier, determined through appropriate measurement and
(2) Properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features.

The requirement that body armor be "uniquely fitted" does not require body armor that is individually manufactured based on the measurements of an individual wearer.

In addition, body armor purchased must be made in the United States.

Agencies seeking funding for body armor are required to have a written "mandatory wear" policy in effect. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty. Subrecipients of funding for body armor must supply the Missouri Department of Public Safety with a copy of such policy at the time of claim submission.

- License Plate Readers

Agencies purchasing license plate reader (LPR) equipment and technology with grant funds administered by the Missouri Department of Public Safety, must adhere to the following requirements:

a. LPR vendors chosen by an agency must have an MOU on file with the MSHP Central Vendor File as developed and prescribed by the Missouri Department of Public Safety pursuant to 11 CSR 30-17.
b. Prior to purchasing LPR services, the agency should verify the vendor's MOU status with the MSHP CJIS Division by emailing mshphelpdesk@mshp.dps.mo.gov.
c. Share LPR data through the MoDEx process with statewide sharing platforms (i.e., MULES).
d. Enable LPR data sharing with other Missouri Law Enforcement agencies and enforcement support entities within the selected vendor's software. Examples include, but are not limited to fusion centers, drug task forces, special investigations units, etc.
e. Connect to the Missouri State Highway Patrol's Automated License Plate Reader (ALPR) File Transfer Protocol Access Program. This program provides the information necessary to provide a NCIC and/or MULES hit when used in conjunction with a License Plate Reader (LPR) device. An MOU must be on file with the Access Integrity Unit (AIU) for the vendor and the law enforcement agency and a registration process must be completed.
f. Agency shall have a license plate reader policy and operation guideline prior to the implementation of LPRs. Reimbursements will not be made on the project until the policy has been provided to the Missouri Department of Public Safety.

If the LPR will be installed on Missouri Department of Transportation right-of-way(s) agency must request installation through the Missouri Department of Public Safety. Once approved, agency must adhere to the Missouri Department of Transportation's guidelines regarding installation of LPR's on Missouri Department of Transportation right-of-way(s).

Unallowable Costs

Per FEMA policy, the purchase of weapons and weapons accessories, including ammunition, is not allowed with SHSP funds. Grant funds may not be used for the purchase of the following equipment: firearms, ammunition, grenade launchers, bayonets, or weaponized aircraft, vessels, or vehicles of any kind with weapons installed.

Administrative and National Policy Requirements

Presidential Executive Orders

Subrecipients must comply with the requirements of Presidential Executive Orders related to grants (also known as federal assistance and financial assistance), the full text of which are incorporated by reference.

In accordance with [Executive Order 14305, Restoring American Airspace Sovereignty (June 6, 2025)](#), and to the extent allowed by law, eligible state and local grant subrecipients under this NOFO are permitted to purchase unmanned aircraft systems, otherwise known as, drones, or equipment or services for the detection, tracking, or identification of drones and drone signals, consistent with the legal authorities of state and local agencies. Subrecipients must comply with all applicable federal, state, and local laws and regulations, and adhere to any statutory

requirements on the use of federal funds for such unmanned aircraft systems, equipment, or services.

DHS Standard Terms and Conditions

A subrecipient under this funding opportunity must comply with the DHS Standard Terms and Conditions in effect of the date of the federal award. The DHS Standard Terms and Conditions are available at DHS Standard Terms and Conditions.
