

American Crime Prevention Institute

Crime Prevention Through Environmental Design (CPTED) Certification Seminar

October 24-27, 2023

Creve Coeur, Missouri

Co-Sponsored by the Creve Coeur Police Department

On **October 24-27, 2023**, the American Crime Prevention Institute (ACPI), in cooperation with the Creve Coeur, Missouri Police Department, will present the Crime Prevention Through Environmental Design (CPTED) Certification Seminar. CPTED (pronounced “sep-ted”) is a series of design strategies based upon the principle that “...the proper design and effective use of the built environment can lead to a reduction of fear and incidences of crime, and an improvement in the quality of life.” CPTED is a multi-disciplinary approach aimed at deterring criminal behavior through environmental design. It is based on the belief that crime can be directly related to the physical environment.

Law enforcement professionals and community planners and officials, as well as architects, should be well versed in the principles and strategies associated with CPTED. They should subsequently work collaboratively to implement appropriate CPTED strategies for new buildings and facilities in order to minimize the occurrence of crime and provide for a safer environment.

Most new buildings are usually planned and designed to last and be functional for at least 50 years. When integrated into the programming stage of new or renovated buildings and facilities, CPTED can positively influence the safety and security of these facilities through their entire life span of use.

Certified CPTED Specialist

This seminar is a certification training program. There is a written examination covering seminar topic areas at the conclusion of the four-day seminar. Upon passing the exam, the participant will earn the lifetime recognition as a “Certified CPTED Specialist” by ACPI.

How Much Does the Seminar Cost?

The cost of attending the four-day Crime Prevention Through Environmental Design (CPTED) Seminar is as follows:

Single Participant-----\$500.00

Multiple Participants (each)-----\$400.00

How to Register
