  - ◆ Advancement Opportunities

Warren County is a semi-rural community spanning 429 square miles, located approximately 50 miles west of St. Louis along Interstate 70. According to census data Warren County is one of the fastest growing counties by percentage in the state, and has a current population of 35,649. The Sheriff's Department employs 78 people. The jail was renovated in 2019 and has a capacity 156 beds. The administrative offices were constructed new in 2019.

Career advancement is possible within department divisions and assignments such as patrol, court security, detective bureau, corrections, records, public relations, K-9, UAS (Drone) unit, and special operations.

The selection process consists of a written examination, oral board interview, Sheriff's interview, drug screen, medical examination, and a background investigation.

Application forms can be filled out and submitted from our website, or paper copies obtained from the Sheriff's Office at the above address.

All that is required to begin the employment process is the completion of the pre-application. The complete personal history statement does not have to be completed and submitted until an actual interview has been scheduled.

Deputy applicants must be post certified prior to being hired, but can apply and test while still attending the police academy. Test scores will be maintained on an eligibility list for future openings for a period of six months.
