

**Title 11—DEPARTMENT OF  
PUBLIC SAFETY  
Division 75—Peace Officer Standards and Training Program  
Chapter 14—Basic Training Centers**

**PROPOSED AMENDMENT**

**11 CSR 75-14.030 Standard Basic Training Curricula and Objectives.** The director of public safety is amending section (2)(E) so the listed training topics match the training topics found in the proposed amendment to 11 CSR 75-15.010.

*PURPOSE: These amendments allow for additional training flexibility with the goal of covering these training topics in much greater detail. - (G) Class S. Four hundred eighty (480) hours.

(2) The mandatory basic training curriculum for each license class shall—

- (A) Describe the training objectives that a trainee must complete in order to qualify for that class of license;
- (B) Designate any training objective that must be taught by a particular type of specialist instructor;
- (C) Assign each training objective to a specific subject area (rules of evidence, civil process, cardiopulmonary resuscitation (CPR), shotgun qualification, fingerprint evidence, etc.);
- (D) Specify the minimum number of hours of instruction required to complete each subject area, with each hour equal to fifty (50) minutes of classroom instruction; and
- (E) Include training in the subject areas of—
  1. Officer well-being, including mental health **and/or physical health** awareness;
  2. Fair and impartial policing practices, including implicit bias recognition;
  3. Handling persons with mental health *[and]* **or** cognitive impairment issues; and
  4. Tactical training, *[to]* **which must include one or more of the following areas:** de-escalation techniques, crisis management, critical thinking, *[and]* **or** social intelligence.

(3) The director shall retain at the headquarters of the Department of Public Safety a document entitled “*Mandatory Basic Training Curricula*,” which shall set forth all basic training curricula developed pursuant to this rule, and which is hereby incorporated by reference into this rule. A copy of the “*Mandatory Basic Training Curricula*” shall be made available to any interested person at a cost not to exceed the actual cost of the reproduction of a copy.
