

Application Form Missouri Law Enforcement Memorial

Any local, state, or federal peace officer serving as an elected, appointed, deputized, temporary or permanent officer who was killed or died from wounds or injuries received while performing an act to enforce the law and/or keep the peace, from 1820 to the present, is eligible for the monument.

Please include all the requested information. If more space is required, attach additional sheets. It is important that all sources and/or copies of sources be included. Be as explicit as possible. If doubt exists, send the information and the project committee will decide if the person qualifies. Include all biographical information such as hometown, personal history, family information, particulars of the officer's duty and death. Information concerning any documents, letters, photographs or memorabilia concerning the officer would be appreciated and can be indicated under *Additional Information*.
